& Biological Engineering

The Chemistry of Milk and Milk Products

Physicochemical Properties,
Therapeutic Characteristics,
and Processing Methods

Editors

Megh R. Goyal | Suvartan Ranvir
Junaid Ahmad Malik

<i>Preface</i>	<i>xxix</i>

PART I: Constituents and Chemistry of Milk and Milk Products..... 1

1. Chemistry of Raw Milk: Composition, Distribution, and Factors	3
Suvartan G. Ranvir, Ankita Hooda, Aarthy Bose, and Harish Kumar	
2. Mineral Profiles of Milk and Milk Products: Their Interaction and Therapeutic Benefits	21
Manju Singh, Suvartan G. Ranvir, Thejus Jacob, and Sandeep G.M. Prasad	
3. Chemistry of Butter: Classification, Processing Effects on Constituents, and Defects	41
Nandita Das, Srishty Tyagi, Payal Karmakar, and Sunil Sakhala	
4. Chemistry and Different Aspects of Ice Cream	65
Nandita Das and Ankita Hooda	
5. Functional Ice Cream: Chemistry, Characteristics, and Technology	87
Ramesh F. Chavan, Rahul R. Sindhani, and Bhagwan K. Sakhale	

PART II: Physicochemical Characterization of Milk and Milk Products..... 107

6. Physicochemical Characteristics of Milk	109
Sunil Meena, Partha Pratim Debnath, Suvartan G. Ranvir, and Dinesh Chandra Rai	
7. Physicochemical Characteristics of Concentrated Milk	133
Sonu K. Shivanna, Laxmana Naik, and Priyanka Singh Rao	
8. Butter Oil (Ghee): Composition, Processing, and Physicochemical Changes During Storage	159
Mitul R. Bumbadiya, Soma Maji, Khusbhu Sao, and Suvartan G. Ranvir	
9. Biochemical Characterization of Cheese During Ripening	185
Rita Mehla, Jyotika Dhankhar, Suvartan G. Ranvir, and Shamim Hossain	

PART III: Therapeutic Characteristics of Milk and Milk Products.....	201
10. Therapeutic and Nutritional Properties of Fermented Milk Products	203
Divyang Solanki, Suvartan G. Ranvir, Heena Parmar, and Subrota Hati	
11. Therapeutic Characteristics of Milk-Derived Bioactive Peptides: An Overview	235
M. A. Syama, V. K. Ammu, and S. Athira	
12. Potential Aspects of Whey Proteins in Dairy Products: Chemistry, Bio-functional Characteristics, and Their Applications	251
Drishti Kadian, Chandni Dularia, and Chander Mohan	
PART IV: Processing And Characterization of Milk and Milk Products	275
13. Proteolysis in Ultra-High-Temperature (UHT) Milk: Causes, Assessment, and Remedies	277
Suvartan G. Ranvir, Manju Singh, Pranali Nikam, Soniya Ranveer, Harish Kumar, and Thejus Jacob	
14. Heat and Acid Coagulated Milk Products: Physicochemical Changes during Processing and Storage.....	297
Ronit Mandal, Payal Karmakar, Kuntal Roy, and Rekha Rani	
15. Processing and Characterization of Dry Milk Powders	307
Naveen Jose, Menon Rekha Ravindra, and Gajanan P. Deshmukh	
16. Assessment of Pesticide Residues in Milk and Milk Products	331
Jyotika Dhankhar, Rita Mehla, and Preeti Kundu	
<i>Index</i>.....	361
