## Online extras

This manual includes a series of downloadable forms that accompany the chapters. These forms are available from the BSAVA Library.

- **How to identify the forms in the text:** in the selected chapters, each form is identifiable by a 'download' symbol in the top right corner.
- **How to access the forms:** the forms can be accessed via QR codes, which can be found at the end of each chapter containing forms. You will need a QR code reader on your smartphone or tablet – a number of QR code reader apps are available. The forms can also be accessed by typing the web address provided at the end of the chapter into a web browser.
